

Curriculum and Quality Analysis and Impact Review  
of European Early Childhood Education and Care

---

**Welcome!**

CARE closing conference  
6-7 October 2016  
Lisbon

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no. 613318

# Aims of CARE

- Towards an evidence-based and culture-sensitive framework for defining, implementing, and assessing quality and wellbeing in European early childhood education and care - with measurable indicators.
- Approach:
  - Analysis of curriculum guidelines in 12 countries.
  - Research review, meta-analyses.
  - Secondary analyses of large-scale studies in five countries.
  - Stakeholders survey into values, beliefs and experiences.
  - In-depth observations in ECEC centers in seven countries.
  - Professionalization, inclusiveness, costs-benefits.

# Acknowledgements

- Thanks to Cecília and her team!
- Thanks to the members of the Advisory Committee and to the external experts for being here and helping us to finalize the project.
- Thanks to the European Commission.
